

Ashburton Region

Desanty Bay: The major source of income for the town – great fishing.

Gaetlight: Another source of income – it provides safe guidance to vessels from the town, and when extinguished an a fire lit elsewhere, it provides loot from wrecked ships.

Fort Mankie: A ruined fort – who know what may lurk there

Doom Chasm: A very deep chasm, with cave entrances lining the edges of the gorge

Margree Henge: A great place to hold your sacrificial rites.

Shinem Tower: A ruined sorcerer's tower. And the locals keep away from it.

Gloom Woods: Good timber, but a pack of dire wolves makes life interesting

Hoarlee Cavern: the home to an extended family of cave bears. It has a mysterious wall at the far end, covered with paintings depicting a fiery comet destroying a large city, and people fleeing into shelter of a cave, led by a tall crowned figure.
