

A ) The stairs lead down, and no opening. But there is a secret door. Just push on it, and it will open.

B ) Two skeletons on the floor, don't worry. They won't bite.

C ) A rectangular room with 5 barrels. Secret door on the west leads to the Dungeon of Confusion.

D ) a room with two pillars holding up the ceiling.

E ) Circle room, a well with clean drinkable water.

F ) The large room has 5 broken barrels. And 6 small barrels with nice cool water in them. Likely drawn from the well. Pillars hold up the ceiling. Northeast corner is a table with a cutting board and a cleaver. Southeast corner, 6 barrels with water from the well.
