

A group of islands with good, evil, and indifferent peoples living there. The south shores are battered in winter by pack ice and ice floes. Icebergs also show up. In the past such bergs have brought Ice beings like winter wolves, ice trolls, ice giants, etc. and an occasional ship wreck with no one aboard.

Basher and Fisher, on Fisher Island, are rivals on the nearby fishing grounds.

Boast, a city on Justice Island, is the home city of the Princedom of Hunters. They hunt evil beings and destroy them.
