

## The Mithlas Holes Hill Entrance

Ebereth is just off to the Northeast. A small thriving community. Years ago some folks went to The Mithlas Holes to see why they hadn't been to town. The survivors of this trip said no one lived there anymore.

Giants' Garden. A supposed area where giant's once grew food. The occasional ear of corn brought to town are usually ignored. Corn on the cob cannot grow to be as big as a house.

Elf Encampment. A group of elves who travel about this area, keeping a distant eye on Mithlas Holes.

The Mithlas Holes. A series of rooms that once had a thriving community of elves.
