

Level 02

- 1) 40' x 40' x 10' skeletons and skulls, burn marks on the walls.
- 2) 80' circle by 20' high. small pile of wood debris with an elf skeleton under it. Three singed chests blocking a secret door.
- 3) 30' x 40' x 10' a pile of rocks diagonally across the room. Secret door over to room 4.
- 4) 50' x 40' x 12' 5 dwarf skeletons behind some defensive rocks.
- 7) 50' x 50' x 20' a singed and burnt chest with a similar condition skeleton in front of it.
- 8) 20' x 50' x 10' lamp on the wall. wood debris and a new looking chest.
- 9) dusty room, no footprints. Spiral stairs connecting the level above and the level below.
- 10) 60' circle x 10' high. Large cracks in the floor like something tried to break into it from below. A small torch, freshly placed.
- 11) 30' x 40' x 10' two metal grates on the floor. Hinged and locked, but don't appear to block entrance to anything.
- 12) 40' x 50' x 15' rags covering skeletons, wood debris. Two secret doors.
- 13) 30' x 50' x 15' two metal grates on the floor. Hinged and locked, but don't appear to block entrance to anything. But if the characters listen closely, sounds can be heard coming from under one of them.
- 14) 50' x 70' x 18' 6 sacks of rotting grain. 3 sacks of grain that might still be good. A bolt of what looks like silk cloth. A large crack in the floor like something tried to break into it from below.
- 15) 80' x 30' x 10' former barracks. The old fireplace hasn't been used in many years and yet there is a small pile of ashes like someone, or some thing, has used it. Piles of wood debris. A skeleton here and there. Why the armory was so far away is unknown.
- 16) 30' x 50' x 10' a secret room. Drag marks of what looks like heavy chests, or heavy furniture, have been moved. No drag marks in the hallway.
- 17) 50' x 30' x 15' Armory. Some rust areas, wood debris. And the Skeleton of the Amrmory Keeper. Died at his post. Secret door to room 16.
- 18) 30' x 70' x 12' luxury barracks. Two fireplaces. And two campfires. Wood debris and broken furniture. No bones.
