

The Hidden level 01. Small amounts of small coins in the stone building, debris. A passages behind rocks.

But climbing the rocks, a light can be shined and that being will see, a wooden door leading somewhere.

The small building ? Rather small, but a gnome or two could live there... were they searching ? Or guarding ?

- 1) cave entrance, small building, 3 skeletons guard the room behind the rocks.
- 2) a short passage blocked by rocks and other such debris.
- 3) a continuation of 2.
- 4) a rectangular room with 2 skeletons, with weapons. Why were the weapons not looted long ago ? Or are they traps ?
- 5) 4 small piles of wood debris
- 6) a circular room. water filled pit. A spiral metal stairs.
- 7) three sacks of something.
