

The Hidden level 3, part 5E

- 1) continuous cave area. A skeleton under debris.
- 1 B) a rock fall on a human skeleton, a campfire and cut wood nearby.
- 2) old guard room. Some signs of recent habitation.
- 3) more cave; the blue mushrooms glow on pixie holidays. The orcs have learned to not touch nor destroy them.
- 4) a cave with a campfire and a pile of wood. Defensive rocks at the entrance.
- 5) 3 rattlesnakes, an open treasure chest.
- 6) Wood debris, a painted pillar debris looks like it might have been dragged here. A treasure chest, view of it blocked by a pile of rocks. This could have been a retreat area, with a treasure.
- 7) pixie dance ring, not used due to the orcs
- 8) an area of some cover, could be used for ambushes.
