

Tyr Alomere Tower

The tower is the present home of Madeleine Eyraux, a mighty enchantress, and her husband. The grounds include a cottage where the staff live, and a barn where visitors can stable their mounts.

Floor 8

The lowest floor of the tower's turret has a gated metal door that provides access to the tower's roof, where the wizard can stargaze, enjoy the views, or defend the tower. The turret has seven arrow slits that can be sealed with metal shutters. The granite spiral staircase continues up.
